

Wells Branch Community Library District Launchpad Policy

The Wells Branch Community Library has purchased a number of Playaway Launchpad devices available for qualified patrons to check out. These are intended to provide increased access to popular reading materials, and educational apps for patrons of all ages

Material Selection:

The librarian selects the Launchpads with various subjects. The Launchpads contain pre-loaded content, which cannot be altered or deleted. Launchpads do not have Wi-Fi capabilities.

Eligibility:

Adult cardholders (18+) in good standing, with no outstanding fines or overdue items, may check out a Launchpad. Patrons who borrow Launchpads are required to complete a Launchpad Borrower Agreement. Borrowers will receive a copy of this agreement for their records. Only one (1) Launchpad per household can be checked out at a time.

Replacement Costs and late fees:

Borrowers are responsible for all replacement costs in the event that the Launchpad and/or its accessories are damaged, lost, or stolen during the loan period. The replacement cost of each item is listed below.

Launchpad	\$150
Power Cord	\$10
USB Adapter	\$7
Processing	\$10
Total	\$177

Damage, loss, or theft of any or all of these components will result in charges for their replacement costs, due in full immediately at the time of staff assessment.

Launchpads must be returned to the library in person to the staff at the information desk during regular hours on or before the due date. There is no grace period and no option for renewals or extensions. A late fee of \$5 per day will be assessed.
