- To register for, renew, or replace a library card, you must provide government-issued photo identification and proof of current address. Library cards must be renewed every three (3) years.
- Library cards are individual and valid only for the person named on the account.
- All library accounts have equal access and borrowing privileges for all materials.
- All library accounts, including children's accounts, are subject to our patron privacy policy. We will not divulge any information about or enable access to an account to anyone but the cardholder. Parents/guardians will not be given access to youth account records.
- On the day you apply for your library card, you may only check out five (5) print books and one (1) audiobook.
- You are responsible for the condition and timely return of all library materials.
- DVDs check out for one week and may not be renewed.
- All other items check out for two weeks. Most items can be renewed up to twice in person, online, by phone, or by text, unless the item is reserved ("on hold") for another patron.
- Overdue fines are assessed daily at a rate of \$0.25 per day per print item, \$0.50 per day per audio item, and \$1.00 per day per DVD or audiovisual item. Fines totaling \$5 or more will prevent you and members of your household from borrowing materials and using library computers. Fines may be negotiated in extreme circumstances by completing a non-conformance form. A household is defined as all individuals who live in the same residence.
