Sound of Silence

Key : Eb Play > D 4/4 Arranged By Jimmy Wu

INTRO

Dsus2 **C**
 () Hello darkness, my old friend
Dm
 I've come to talk with you again
Bb F
 Because a vision softly creeping
Bb F
 Left its seeds while I was sleeping
Bb F
 And the vision that was planted in my brain
Dm C
 Still remains
C Dm
 Within the sound of silence
C
 In restless dreams I walked alone
Dm
 Narrow streets of cobblestone
Bb F
 'Neath the halo of a street lamp
Bb F
 I turn my collar to the cold and damp
Bb
 When my eyes were stabbed by
F
 the flash of a neon light
Dm
 That split the night
C Dm
 And touched the sound of silence

C
 And in the naked light I saw
Dm
 Ten thousand people maybe more
Bb F
 People talking without speaking
Bb F
 People hearing without listening
Bb
 People writing songs
F
 that voices never shared
Dm
 No one dared
C Dm
 Disturb the sound of silence
C
 "Fools," said I, "you do not know
Dm
 Silence like a cancer grows
Bb F
 Hear my words that I might teach you
Bb F
 Take my arms that I might reach you
Bb F
 But my words like silent raindrops fell
Dm C Dm
 And echoed in the wells of silence
C
 And the people bowed and prayed
Dm
 To the neon god they made
Bb F
 And the sign flashed out its warning
Bb F
 In the words that it was forming
 And the sign said
Bb Dm
 "The words of the prophets are written
F
 on the subway walls
F
 And tenement halls
C Dsus2
 And whispered in the sound of silence
