

Share your travel stories with the Wells Branch community!

The Wells Branch Community Library is looking for enthusiastic travelers who would like to share their trip with others in our upcoming Armchair Travelers program series. Regale the audience with your travel adventures & tales while imparting your lessons learned to help make others' future trips a similar success! Any regions - local, domestic or international - are welcomed. Speaking opportunities are available for Thursday evenings on June 14 & 28 and July 12 & 26 at 6:30pm. Presentations will last between 30-45 minutes, followed by social time for Q&A and travel discussions.

All potential speakers must:

- Be comfortable speaking to groups, and willing to share their own photos and/or videos of the trip and answer questions from the audience about their travel experiences.
- Have a PowerPoint presentation (or some equivalent visual aid – we're open to possibilities!). The library must review & approve all presentations in advance.
- Be able to firmly commit to the date & time of the session once they are selected as a presenter.
- Be willing to have their name and speaking topic, and possibly a picture provided by the presenter, used in publication materials both in print and online.

If interested, please contact the library at volunteer@wblibrary.org.
